CPD HOURS: 4

Participants must attend the *Oral Surgery for General Dentists* lecture course on June 30th as a pre-requisite for this course.

This course will allow the participants the opportunity to extract a variety of teeth on cadavers with an oral surgeon looking over their shoulders. This will enable the participant to ask questions during the procedure and for the oral surgeon to offer tips and suggestions on extraction. There will be one head per two participants. Due to the nature of the course availability of teeth to be extracted will vary.

About the Presenters:

The team of maxillofacial surgeons presenting this course will be:

- A/Prof Dieter Gebauer
- Mr Leon Smith
- Mr Peter Ricciardo
- Mr Nathan Vujcich

*** Please note: This course will be carried out on human cadavers.**

Associate Professor Dieter Gebauer is a specialist Oral and Maxillofacial Surgeon with degrees in medicine and dentistry. He is also a fellow of the Royal Australasian College of Dental Surgeons. Dieter is currently Head of Department at Royal Perth Hospital and a consultant facial trauma surgeon. Dieter's keen interest in facial trauma has taken him to Illinois medical district in Chicago (the largest medical district in the world, hosting Cook County Hospital, The University of Illinois Chicago Hospital, The Veterans' Affairs Hospital and The Rush Presbyterian Hospital) and Johannesburg General Hospital.

Mr Leon Smith is a specialist Oral and Maxillofacial Surgeon with degrees in medicine and dentistry. He completed advanced surgical training in Melbourne and is a Fellow of the Royal Australasian College of Dental Surgeons, offering surgical management of the diseases and conditions of the face, jaws and mouth. He has completed post-fellowship training in orthognathic surgery, facial trauma surgery and head and neck surgery.

Mr Peter Ricciardo is a specialist Oral and Maxillofacial Surgeon with degrees in medicine and dentistry. He is a Fellow of the Royal Australasian College of Dental Surgeons. He has completed post-fellowship training in paediatric OMS, orthognathic and trauma surgery, TMJ surgery and head and neck surgery. Peter is also an instructor for AO and Royal Australasian College of Surgeons. He is in both public and private practice.

Mr Nathan Vujcich is a specialist Oral and Maxillofacial Surgeon with degrees in medicine and dentistry. He is a consultant at Royal Perth, Princess Margaret and Fiona Stanley Hospitals. He completed his post-fellowship training at the Royal Children's Hospital in Melbourne and in units including Croatia and Switzerland. Dr Vujcich is a member of the Western Australian Regional Surgical Committee and maintains private surgical practice in addition to his public service.
