Therapists & OHTs
Limit: 40 (inc light
lunch, morn/aft teas)

CONVENOR
Dr Jenny Ball

CPD HOURS: 6.5

This course will look at a variety of aspects of Oral Medicine. Topics to be covered in the fields of TMD and Sleep will be:

1. TMD: strategies for early diagnosis and treatment.
2. Digital occlusal splint therapy.
3. Current concepts on sleep bruxism.
4. Oral appliance therapy for snoring and obstructive sleep apnoea.

Oral Mucosal Diseases and Oral Cancer:

These lectures will provide a back to basics approach with a contemporary slant, designed to provide the country practitioner with diagnostic and management approaches and referral pathways to manage common oral lesions, yet still keep the practitioner aware of less common but highly complex and sinister pathology.

Topics to be covered will be:

1. Boils, pustules and barnacles: Gingival pathology classification, diagnosis and referral pathways.
2. Sore spots and ulcers, blisters and blemishes: Diagnostic and treatment approaches for oral ulcerative and vesicubullous disorders.
3. Red, white and blue: A contemporary decision making protocol for mucosal precancerous lesions.
4. Sex & Drugs & Disco Balls: Paradigm shifts in etiology and early detection of oral cancer.

About the Presenters:

Clin A/Prof Ramesh Balasubramaniam completed his BDSc (UWA) in 2000. In 2006, he completed a certificate and Master of Science degree in Orofacial Pain at the University of Kentucky.

He has also trained in the field of Dental Sleep Medicine and completed specialist training in Oral Medicine as well as a Fellowship in Interdisciplinary Geriatrics at the University of Pennsylvania in 2008. He is a Diplomate of the American Board of Orofacial Pain. Ramesh has numerous peer reviewed publications and has contributed to several chapters in various texts and co-edited the May 2008 Oral and Maxillofacial Surgery Clinics of North America on Orofacial Pain and Dysfunction. Ramesh is also co-editor and co-author of a new authoritative comprehensive textbook entitled "Contemporary Oral Medicine" to be published by Springer in 2018. Ramesh has an appointment as a Clinical Associate Professor at the School of Dentistry UWA. He also has public appointments at OHCWA and Perth's Children's Hospital.

Prof Camile Farah is Professor of Oral Oncology at the School of Dentistry at UWA. He is a specialist in both Oral Medicine and Oral Pathology with sub-specialty training in Oral Oncology. He maintains a part-time private practice in Oral Medicine with Perth Oral Medicine & Dental Sleep Centre, is a member of the Head & Neck Cancer Team at the Sir Charles Gairdner Hospital and Director of the Australian Centre for Oral Oncology Research & Education. Camile is a Fellow of the Oral Medicine Academy of Australasia, the International Academy of Oral Oncology, the Royal Australasian College of Dental Surgeons (Oral Medicine), the International College of Dentists, and the Pierre Fauchard Academy. He is also involved with the Oral Medicine Academy of Australasia, the Australian & New Zealand Division of the International Association for Dental Research and the Australian Dental Research Foundation. Camile has authored 131 peer reviewed publications including 15 book chapters. He is also co-editor and co-author of a new authoritative comprehensive textbook entitled "Contemporary Oral Medicine" to be published by Springer in 2018.
