Course Outline:

Oral Medicine focuses on the diagnosis, prevention and management of medically-related disorders and conditions affecting the oral and maxillofacial region. This program focuses on oral diseases, orofacial pain, and dental sleep medicine.

Topics to be covered include:

- Oral Cancer and Precancerous Conditions
- Pigmented Lesions
- Oral Ulcerative Lesions
- Gingival Pathology
- Oral Viral and Fungal Infections
- Oral Lichen Planus
- Vesiculobullous Conditions
- Salivary Gland Disorders and Halitosis
- Temporomandibular Disorders
- Non-Odontogenic Toothache and Burning Mouth Syndrome
- Sleep Bruxism
- Oral Appliance Therapy for Snoring and Obstructive Sleep Apnoea

All the presenters are co-authors and co-editors of a new 45-chapter authoritative comprehensive textbook entitled "Contemporary Oral Medicine" to be published in 2018.

About the Presenters:

Professor Camile Farah is Professor of Oral Oncology, Dean of Dentistry, Head of the UWA Dental School, and Director of the Oral Health Centre of WA. He is also in private practice. Camile is

an inaugural Fellow of the Royal Australasian College of Dental Surgeons (Oral Medicine) by examination and served as the Inaugural President of the Oral Medicine Academy of Australasia. Camile has authored 140 peer reviewed publications including 16 book chapters. He is Associate Editor of the "Journal of Oral Pathology & Medicine" and "Oral Cancer" and an Editorial Board member of "Oral Diseases".

Clin A/Prof Ramesh Balasubramaniam graduated with a BDS from UWA and in 2006 he completed a Certificate and Master of Science degree in Orofacial Pain at the University of Kentucky. Ramesh trained in the field of Dental Sleep Medicine. Ramesh has an appointment at the UWA Dental School and is actively involved in teaching and research. He also has public appointments at the Oral Health Centre of Western Australia and the Perth Children's Hospital.

Professor Michael McCullough is the Professor of Oral Medicine at the Melbourne Dental School, University of Melbourne. He is the convenor of both the post-graduate and graduate courses in Oral Medicine, has published 128 articles in peer reviewed scientific journals, and was on the Expert Panel for both editions of the Therapeutic Guidelines book titled "Oral and Dental". Michael is an Oral Medicine Clinical Consultant to the Royal Dental Hospital of Melbourne, the Royal Melbourne Hospital and the University of Melbourne's Dental Clinic.
